

# The importance of international collaboration

Camilla Hoflund, President and CEO Studsvik

CET2024

**Studsvik**

An aerial, high-angle photograph of a large, multi-level industrial facility, possibly a power plant or refinery. The image shows a complex network of metal walkways, railings, and structural beams. In the center, there is a large, dark, rectangular area that could be a pool or a large storage tank. The overall scene is filled with industrial equipment and infrastructure. The text "Once upon a time..." is overlaid in white, centered on the image.

Once upon a time...

**Studsvik**

A man in a white lab coat is operating a large industrial machine in a factory setting. The machine has a large glass window and various mechanical components. In the background, another man in a white lab coat is visible, also working on a similar machine. The scene is brightly lit, and the overall atmosphere is industrial and professional.

...Studsvik today

**Studsvik**

A circular microscopic view of a material surface, likely a cladding, showing a network of dark, irregular cracks against a lighter, textured background. The cracks vary in thickness and orientation, forming a complex web across the field of view.

**Joining forces  
- a key success factor**

A black surveying level is mounted on a tripod. The level has two circular lenses on top and a central vertical rod. The tripod has two circular bases at the bottom. The background is a blurred yellow and white surface.

**Continued collaboration  
for the future of our industry**

An aerial photograph of the Studsvik nuclear power plant site in Sweden. The image shows a large body of water in the background, surrounded by numerous small islands and a dense forest. In the foreground, there is a large, cleared area with several buildings and structures, likely the power plant itself. The overall scene is a mix of natural landscape and industrial development.

**A site for future initiatives to create a  
Swedish and international hub for  
nuclear innovation**
